Walking In Circles

Our Lady Peace

I used to wanna dream
I used to wanna scream
At the top of my lungs
Like a diamond in a ring
Or the song you love to sing
The shine is gone
And I'm walking in circles, circles
Walking in circles
Walking in, walking in
I used to wanna run
I used to wanna climb
Up to the sun
Ambition is killing me
The new trends and the money
Oh, I feel so cheap
I'm walking in circles, circles
Walking in circles
I'm walking in, walking in
It's a feeling that you know
A feeling that explodes
A feeling you want more
Well, and more and more and more
Circles, see them?
It's a feeling that you know
A feeling that explodes
A feeling you want more
And more and more and more
A feeling that you know
A feeling that explodes
A feeling you want more
And more and more and more
And more and more and more
And more and more and more
And more and more and more
And more and more and more
And more and more and more
And more
I'm walking in circles, circles
Walking in circles

I'm walking in, walking in
It's a feeling that you know
A feeling that explodes
A feeling you want more
And more and more and more
It's a feeling that you know
A feeling that explodes
A feeling you want more
Well, and more and more and more
