You've Got A Friend

B4-4

When you're down, and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up
Even your darkest night
Oh yeah
((chorus))
You just call out my name
And you know wherever I am
I'll come runnin' (Runnin')
To see you again
Winter, Spring, Summer or Fall
All you have to do is call
And I'll be there
You've got a friend
If the sky above you
Grows dark and full of clouds
And that old
North wind begins to blow

Keep your head together, baby
And call my name out loud
Soon you'll hear me
Knockin' at your door
((chorus))
Ain't it good to know that
You have always got a friend in me?
People can be so cold, oh yeah
They'll hurt you
And desert you, oh
And take your soul if you let them
But don't you let them
((chorus))
Anything you wanna do
Be there if you need me to
Anything you wanna do
You've got a friend in me

((repeat till fade))
