

Beautiful

Evermore

Out of the dark, walking beside you (Beside you)
Come up for air, swim alongside you (Alongside you)
One breath away, where did they hide you? (Did they hide you?)
'Cause you're beautiful - yeah
When I saw your face, never thought I'd find you (I'd find you)
Colour replaced the shadows that I knew (That I knew)
'Cause you're beautiful
'Cause you're beautiful - yeah..... the shadows, finally I can see
I was under the ocean, finally I can breathe
..... the shadows, finally I can see
I was under the ocean, finally I can breathe Hold on, hold on - hold on, hold on
Hold on, hold on - there has gotta be a way Though I'm here in the shadow, finally I can see
Though I'm under the ocean, finally I can breathe
So come on
Though I'm here in the shadow, (Hold on) finally I can see
So hold on
Though I'm under the ocean, (So hold on) finally I can breathe
So come on
....
Since you were born - weighed down by lies
Now from your eyes
From this dust then you will rise
