

Do It or Die (Re-Recorded)

Atlanta Rhythm Section

Don't let your troubles make you cry
Don't waste a moment wondering why

When everything goes wrong

You have to go on

And do it or die

Do it or die now

Stand your groundDon't let your bad breaks go gettin' you down

Even when times get rough

And you've had enough

You still gotta try

Do it no matter what the people say

They don't even know youDie before you let them stand in your way (Don't you know that)

You should know that life is a gamble all along

Winners or losers you keep rollin' on

So go on and roll the dice

You only live twice

So do it or die
