Advisory - the following lyrics contain explicit language:

Danger x4
this is dangerous x3 danger x2
I'm dangerous
This beat is hazardous
When you see me walk up in the club like a motherfucker
I'm about to fuck it up
I don't fuck around
Tell the DJ to blast the sound
When you see walk in the place like a fire starter
I'm about to burn it down
Watch out x2
This is -
Danger x8
I'm a bad motherfucker
I smash up the party like a bad motherfucker
So when you see me
Show me love.
I'm about to tear it up
I'm a party man
I party as hard as I can
(Party harder)
And when it's over
It's never over.
I'm down to do it again,
Let's go.
This is dangerous
(This is a danger)
This is dangerous
(This is danger)
This is dangerous
(This is danger)
Danger

(Danger)
Watch out x2
This is
Danger x8
I'm a dancer killer
(This is a killer)
I'm a dancer killer
(Killer, killer)
Danger x4
I'm a dancer killer
(This is a killer)
I'm a dancer killer
(Killer, killer)
