Not For Sale

HillaryJane

Bottled up my feelings for so long
And now I gotta let 'em out upon this beat
I ain't postin' personal damage, you're a purse to pull
You get up and listen when I speak

I got my head lifted up (Up)
Made up my mind
One of a kind
I'm not a dollar sign
Try and hold me back, you can try, you can try
There's fire in my bones
And flames in His eyes

I ain't goin' back, back to the life, oh
I ain't goin' back, no matter the price

I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale

I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale

Standin' on my ground, even when nobody's around
Ready for war, someone will never retreat
Puttin' on my crown, no, I'm never backing down
Victorious, no I'll never know defeat

I got my head lifted up (Up)
Made up my mind
One of a kind
I'm not a dollar sign
Try and hold me back, you can try, you can try

There's fire in my bones
And flames in His eyes

I ain't lookin' back, back to the night, oh
I ain't lookin' back, my eyes on the light

I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale

I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale

Yeah! (Yeah!)
They want change, hoping they might find it
In a dollar sign, like the silver linin'
Did no one tell? Me, I'm not for sale!
My heart's been unlocked, yeah, I made the bill!
'Cause I've been bought and taught
The price was Christ who died for me
Now I ain't goin' back, so used to asking "What's the fee?"
I'm not a Barbie, never been made of plastic
My body's not a fast check, no, I'll never be that chick
Yeah (Yeah)

I ain't lookin' back, back to the night, oh
I ain't lookin' back, my eyes on the light

I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale
I'm not for sale

I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale

I'm not for sale, I'm not, I'm not for sale
I'm not for sale, I'm not, I'm not for sale
