

Hallelujah

[Kathryn Williams](#)

Well I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you? Well it goes like this, the fourth, the fifth
The minor chord and the major lift
The baffled king composing Hallelujah Hallelujah, Hallelujah
Hallelujah, Hallelujah Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you And she tied you, to her kitchen chair
Broke your throne, and cut your hair
And from your lips she drew the Hallelujah Hallelujah, Hallelujah
Hallelujah, Hallelujah Baby, I've been here before
I know this room and I've walked this floor
You know, I used to live alone before I knew you And I've seen your flag on the marble arch
Love's not some kind of victory march
It's a cold and a broken Hallelujah Hallelujah, Hallelujah
Hallelujah, Hallelujah There was a time when you let me know
What's really going on below
But now you never show it to me, do you? But I remember when I moved in you
Holy dove was moving too
And every breath we drew was Hallelujah Hallelujah, Hallelujah
Hallelujah, Hallelujah Hallelujah, Hallelujah
Hallelujah, Hallelujah
