Touch Me

Smash Cast

Look at me baby tell me tell me what you see
Wanna watch baby like like a movie screen
Gonna get what I want want you on your knees
Give it up baby don't you don't you make a scene
So come and turn me on
Baby be my Marlon Brando
Take a good snapshot
Get me from my better angle
Cause I like it hot
And you know I love a scandal
Tell me what you what you waiting for
Touch me... I wanna feel it on my body
Put your hands on me
Come on and love me... You wanna get it boy
I'll give you to the count of three
Hold me closer I don't wanna take it slow
I wanna go somewhere we can be alone
Touch me... I wanna feel it on my body
Put your hands on me
Do you like when I'm leaning leaning into you
Close your eyes baby breathe in breathe in my perfume
Dim the lights take it slow like a dream come true
Cause tonight Imma show you show you what to do
So come and turn me on
Baby be my Marlon Brando
Take a good snapshot

Get me from my better angle
Cause I like it hot
And you know I love a scandal
Tell me what you what you waiting for
Touch me... I wanna feel it on my body
Put your hands on me
Come on and love me... You wanna get it boy
I'll give you to the count of three
Hold me closer I don't wanna take it slow
I wanna go somewhere we can be alone
Touch me... I wanna feel it on my body
Put your hands on me

Every move that I could make
You're watching me
Put your hands around my waist
Boy set me free
Not much more that I can take
If you don't take it all
Touch me... I wanna feel it on my body
Put your hands on me
Come on and love me... You wanna get it boy
I'll give you to the count of three
Hold me closer I don't wanna take it slow
I wanna go somewhere we can be alone
Touch me... I wanna feel it on my body
Put your hands on me
