

# Jesus Is

## Todd Smith

Time's not the healer  
Of a heart that's breaking  
My strength not enough  
For the fight I'm facing  
Jesus Is the Hope that's alive in me  
All that I'll ever needJesus is the Hope who goes before us  
The One who never leaves us  
The Grace that brings forgiveness  
Jesus is Jesus is  
The Way our promised Savior  
The Truth our only Anchor  
The King who reigns forever  
Jesus is Jesus is  
The reason to love  
No matter what the cost  
And never give up  
When everything seems lost  
The Hope that's alive in me  
All that I'll ever needAnd He was and He is to come  
Jesus is  
And He was and He is to come  
Jesus is  
And He was and He is to come  
Jesus is  
The Hope who goes before us  
The One who never leaves us  
The Grace that brings forgiveness  
Jesus is Jesus is  
The Way our promised Savior  
The Truth our only Anchor  
The King who reigns forever  
Jesus is Jesus is
