The Preacher

Nitin Sawhney

The seal of prophesy
Between the darkness and the light
Everyone must choose, universal bluesWisdom is the key
To the heart of prophesy
The seal of prophesyMessengers have come and gone
The struggle goes on
Synagogue temple mask Church
Each and evey place we search
The seal of prophesyOld ones will see visions
Young ones will dream dreams
But time will change conditions
Till nothing as it seems
The seal of prophesyThe seal of prophesy
Everyone must choose
Universal blues
Universal blues
Universal blues
