

Stand By

[Sophie Zelmani](#)

It's because to my faith
In how it should be
I never consider
And that's why I let you
Drive me, drive me crazy
It's not a question
Or trying ones fortune
What it's all about
Is to fight to make it live
To make it live and survive
So stand by, stand by
Stand by, stand by
And I won't be scared
Of the hard times that will come
We'll get to a level
When we get through
And then we just go on and on
So stand by, stand by
Stand by, stand by
