This Dance

Mirah

The sidewalks are dirty
The gutters are dry
The summer is over
My bones are insideThis dance is difficult
This dance is hard
This makes me wanna spin
'Round in the yardAsleep in my bedroom
My eyes open wide
I hope i get out soon
Get lost in the tideThis dance is difficult
This dance is hard
This makes me wanna spin
'Round in the yardAnd when i get thirsty
From drinking the ocean
And my blood is burning
From all the commotionThis dance is difficult
This dance is hard
This makes me wanna spin
'Round in the yardLove is an arrow
Shot through the sky
The streets are all narrow
The rivers are wideThis dance is difficult
This dance is hard
This makes me wanna spin
'Round in the yardThis dance is difficult
This dance is hard
This makes me wanna spin
'Round in the yardThis dance is difficult
This dance is hard
This makes me wanna spin
'Round in the yard
