

I Only Know One Way

[John Daly](#)

When I look in the mirror, everyday
I try to be myself but I, stand in my way
And I have lived, so many lives
Been through these ups and downs and I've, had too many wives

I only know one way
Nothin' too lose, I've got nothin' left to say
And I'm so happy to be alive, to be with you
I only know one way

Time can only tell, where I'll be tomorrow
I've been through hell and back, just you wait and see
Life goes on and things can't come true
And I am my only man, whether I win or lose, this is me yeah

I only know one way
Nothin' too lose, I've got nothin' left to see
See I'm so happy to be alive, to be with you
And I only know one way, yeah

It seems no matter, how hard I try
My heart just, just beats inside
It seems no matter what I do, you love me like I want you too
So girl I have to tell you true, I've gotta be me yeah, gotta me yeah

I only know one way (I only know one way)
Nothin' too lose (I got nothin' too lose), I've got nothin' left to say (nothin' to say, nothin' to say now)
See I'm so happy to be alive, 'cause I'm with you now
I only know one way, yeah

It's all I know man
I don't know any other way
But it's my way
I really do only know one way
