

# You're More Than Fair

## Ian Dury & The Blockheads

Advisory - the following lyrics contain explicit language:

You're more than fair, you've got a gorgeous bum  
Why don't you come to my house and meet my mum?  
I like your titties, they're nice and small  
Let me have a squeeze in my front hall  
Satin drawers, I want to run a hand in  
I want to snap them off you as we reach the landing  
A tender moment, don't let nothing spoil it  
I shall caress your clitoris as we reach the toilet  
You're more than fair, you're warm and soft  
Remove the trousers as we reach the loft  
To taste the pudding, you've got to try the proof  
You can try the pudding on the roof, the roof's the only place I know
