

# Sovereign

## Wintermute

Sovereign in the mountain air  
Sovereign on the ocean floor  
    With me in the calm  
    With me in the storm  
Sovereign in my greatest joy  
Sovereign In my deepest cry  
    With me in the dark  
    With me at the dawn  
    In your everlasting arm  
    All the pieces of my life  
    From beginning to the end  
    I can trust you  
    In your never failing love  
You work everything for good  
God whatever comes my way  
    I will trust you  
    Sovereign in the mountain  
    Sovereign on the ocean floor  
    With me in the calm  
    With me in the storm  
Sovereign in my greatest joy  
Sovereign in my deepest cry  
    With me in the dark  
    With me at the dawn  
    In your everlasting arms  
    All the pieces of my life  
    From beginning to the end  
    I can trust you  
    In your never failing love  
You work everything for good  
God whatever comes my way  
    I will trust you  
    God whatever comes my way

I will trust you  
    All my hopes  
    All I need  
    Held in your hands  
    All my life

All of me  
    Held in your hands  
        All my fears  
        All my dreams  
    Held in your hands  
        All my hopes  
        All I need  
    Held in your hands  
        All my life  
        All of me  
    Held in your hands  
        All my fears  
        All my dreams  
    Held in your hands  
        In your everlasting arms  
        All the pieces of my life  
        From beginning to the end  
            I can trust you  
        In your never failing love  
    You work everything for good  
    God whatever comes my way  
            I will trust you  
    God whatever comes my way  
            I will trust you  
    God whatever comes my way  
            I will trust you
