

2 Guitars Bass and a Drum

[KSM](#)

Keep it simple, make it easy
No overdubs, just a fat beat
Why confuse the, the situation?
Break it down to, to the basics I don't need the fancy things in life
To make me satisfied, no, not at all Just give me 2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play it too fast then crank it
Start too loud then turn it up Why analyze? I'd rather say it
Bought a black Strat, I wanna play it
I'm a simple girl, I don't do games
I'm all about the song and not about the fame I don't need the fancy things in life
To make me satisfied, no, not at all Just give me 2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play it too fast then crank it
Start too loud then turn it up That's the way we like it, gotta overdrive it
Yeah, we're gonna build it up to break it down 2 guitars, bass, drums
Crank it Just give me 2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play it too fast Just give me 2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play it too fast then crank it
Start too loud then turn it up
