## Yemi Alade

Since you came into my life baby  
You've given me so much joy  
I'm feeling like a child baby  
I want to be your toy, boy You tell me jump, I go jump  
You tell me dance, I go dance  
Tell me skip to my lou  
Anything to be with you boy Oh you've given me so much more, sugar  
Everything that I want and more  
I will dance oh, dance  
I wanna be with you, boy that's the truth
