Half a Heart

Marty Stuart

Your heart's changing, our love is growing cold
Something tells me I'll be moving on
Some day, you'll see, just what you did to me
You'll want my love again, but I'll be goneHalf a heart ain't strong enough to hold me
I won't stand in your way
You don't love me no more my darlin'
Now I've got no reason to stayTeardrops fallin' inside this lonely room
While you're out running round all over time
When the party's all over and your friends have let you down
You'll call for me, but I won't be aroundHalf a heart ain't strong enough to hold me
I won't stand in your way
You don't love me no more my darlin'
Now I've got no reason to stay
I've got no reason to stay
