It's Easy to Remember

John Pizzarelli

Your sweet expression
The smile you gave me
The way you looked when we metIt's easy to remember
So hard to forgetI hear you whisper
I always love you
I know it's over and yetIt's easy to remember
But, oh, so hard to forgetSo I must dream
To have your hand caress me
Fingers press me tightI'd rather dream
Than have that lonely feeling
Stealing through the nightEach little moment
Is clear before me
And though it brings me regretIt's easy to remember
But so hard to forgetSo I must dream
To have your hand caress me
Fingers press me tightI'd rather dream
Than have that lonely old feeling
Stealing through the nightEach little moment
Is clear before me
And though it brings me regretIt's easy to remember
And so hard to forget
