

# This Is Not A Love Song (P.I.L.) [Lounge Fm]

## Nouvelle Vague

This is not a love song  
This is not a love song  
This is not a love song This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song Happy to have, not to have not  
Big business is very wise  
I'm crossing over into  
E-enter-prize Love song  
Love song  
Love song  
Love song I'm going over to the other side  
I'm happy to have not to have not  
Big business is very wise  
I'm inside free enterprise I'm adaptable  
I'm adaptable I'm adaptable and I like my new role  
I'm getting better and better  
And I have a new goal  
I'm changing my ways where money applies This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song Now are you ready to grab the cradle  
That tunnel vision-not television  
Behind the curtain-out of the cupboard  
YOU take the first train-into the big world  
Now will I find you-now will you be there This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song
