

Beautiful Life

Judith Hill

(Verse)

You had everything going for you
Bright eyes and a smiling face
They all said you would fly to the stars
You fell down and got mud all over the place
Now nothing's going for you
You've been hurtin', hurtin'
for a long long time, ooh yes
The only exit is running away
And no sign of day

(Chorus)

Baby you've come to the end of the road
Lookin' around and you're all alone
Feeling the clouds closing on you
Pick yourself of the ground
Turn it around, open your eyes
Look at the sky
Now is the time to spread your wings and fly
It's a beautiful life
A beautiful life

A beautiful life(Verse)Remember the ones who always loved ya

And had your back all the way
And tip your hat to the haters,
Who try to tear you apart, oh yeah
It's because of them you are so strong today
It's a beautiful world with beautiful people
A miracle right before your eyes
We dance, we fight, we kiss and we cry

then we say goodbye(Chorus)Baby you've come to the end of the road

Lookin' around and you're all alone
Feeling the clouds closing on you
Pick yourself of the ground
Turn it around, open your eyes
Look at the sky, now is the time
To spread your wings and fly
It's a beautiful life

A beautiful life(Bridge)From all the pain you've met

And love you've shared
Time after time

The highs, the lows
The friends, the foes
The --- the path you chose
it's beautiful
it's beautiful
It's beautiful(Chorus)
Baby you've come to the end of the road
Lookin' around and you're all alone
Feeling the clouds closing on you
Pick yourself off the ground
Turn it around, open your eyes
Look at the sky, now is the time
To spread your wings and fly
It's a beautiful life
A beautiful lifeNow is the time
To spread your wings and fly
It's a beautiful life
A beautiful lifeNow is the time
To spread your wings and fly
It's a beautiful life
A beautiful life
It's a beautiful life
It's a beautiful life
It's a beautiful life
