Get It Girl

2 Live Crew

Advisory - the following lyrics contain explicit language:

I wouldn't lie to you, I want you to get ready to get on
'Cause I got some ol' nasty-ass shit to talk tonight
Please somebody
Come on girlGet it, get it, get it, girl
Get it, get it, get it, girl
Get it, get it, get it, girlI'm the only man that can rock your world
Come with me and let me
Get it, get it, get it, girlCome on girl
Get it, get it, get it, girlI've been lookin' at you for a while
With your big brown ass and a pretty smile
Every guy call you sexy but your man is weak
He can't satisfy you baby, I'm your freakIf you want a real man the man is me
Come into my world, I'm your fantasy
'Cause where you're goin' is into my world
Just straight up lovin, come and, get it girlDon't stop, don't stop, don't stop
Get it, get it, get it, girl
Get it, get it, get it, girl
Get it, get it, get it, girlWhen you come to me all you do is ask
'Cause your fulfillment is my only task
I won't mislead you or mistreat you
I'll just kiss, hug and squeeze youWhen you think of me lovin's on your mind
It's written in the books that I'm one of a kind
I like makin' love seven days a week
Not like your man, I'm just a freakYour man did you wrong, now it's my turn
After all his dick, I knew you would learn
'Cause there ain't another who can rock your world
Just open those legs and let me, get it girlGet it, get it, get it, girl
Get it, get it, get it, girl
Get it, get it, get it, girlDon't stopGrab hold of this, baby
Oh no, I can't do that, grab hold of this, baby
Oh no, I got a big black dick and it stays hard as a rock
Fifteen inches long and eight inches thickOhh, don't get me wrong, I'll take a lil' mo'

Ohh, don't get me wrong, I'll take a lil' mo'
Ohh, don't get me wrong, I'll take a lil' mo'
Ohh, don't get me wrong, I'll take a lil' mo'Ooh, this is some good pussy, stop her with yo' tongue
Ooh, this is some good pussy, stop her with yo' tongue
Ooh, this is some good pussy, stop her with yo' tongue
Ooh, this is some good pussyGet it, get it, get it, girl
Get it, get it, get it, girl
Get it, get it, get it, girlPlease somebody
