

# Only Women Bleed

Lita Ford

Man's got his woman  
To take his seed  
He got the power  
She got the need

She spends her life through  
Pleasin' up a man  
She feeds his dinner on  
Anything she can

She cries alone at night too often  
He smokes and drinks and don't come home at all

Only women bleed  
Only women bleed  
Only women bleed

Man makes your hair grey  
He's your life's mistake  
All you're really looking for  
Is an even break

He lies right at you  
Ya know ya hate this game  
Slaps you once in a while  
And you live and love in pain

She cries alone at night too often  
He smokes and drinks and don't come home at all

Only women bleed  
Only women bleed

Man's got his woman  
To take his seed  
He got the power

She got the need

She spends her life through  
Pleasin' up a man  
She feeds his dinner on  
Anything she can

She cries alone at night too often  
He smokes and drinks and don't come home at all

Only women bleed  
Only women bleed  
Only women bleed

Black eyes all of the time  
Don't spend a dime, clean up this grime  
And you there, down on your knees  
Beggin' me please, come watch me bleed

Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed
