SomeBody New (Rektchordz Remix)

Jakwob

[Verse 1: Tiffani]

Now I don't know if you hear me when I talk

I know it fears me when you walk away

I miss it every day

We never get to play no more[Pre-Chorus: Tiffani]

Listen if you want to, sit down if you want to

I'll give you the run-through, don't like it? You can walk away

I won't chase you like I used to

Boy I just think times have changed, I'll just wait for somebody new[Chorus: Tiffani]

And when the clock strikes one, this mess will be undone

And when the clock strikes two, don't think that kiss will do

And if you missed out four, there's love still on the floor

Boy I just think times have changed, I'll just wait for somebody newBoy I just think times have changed, I'll just wait for somebody new

I'll just wait for somebody new, I'll just wait for somebody new

I'll just wait for somebody new, I'll just wait for somebody new

I'll just wait for somebody new[Verse 2: Tiffani]

But I'm not sure if it's you that I desire

I get this craving every hour I wait

I pray it goes away

I'm getting bored of hunger pains[Pre-Chorus: Tiffani][Chorus: Tiffani][Bridge: Tiffani]

I'll just wait for somebody new

And when the clock strikes two, and when the clock strikes four, oh[Chorus: Tiffani]
