

Stormkeeper (2003 Remaster)

Culture Club

Ooh I have love sweeter than lies
Gave you no reason not to decide
Say you are leaving, you've got too much pride
It's not love if you have it to hide it Oh woe who is the man
Who puts waves on the sand
It's the stormkeeper, stormkeeper
Liven my life
When I need to survive
Is the storm keeping you warm
Keeping you warm Oh I have cried so many times
But only for things that never were mine
Heaven is sweet, love is unkind
Thoughts are twisted inside of your mind Don't let them tell you
That this love is wrong
And don't let them fool you
That this love can't go on
