

Low, Low, Low

James

I'm a member of an ape-like race at the asshole end of the 20th century

This film's a thriller of the mind

Will we destroy our homes, release ourselves from the weights of gravity

I'll be amazed if we survive

Low low low

Low low low

Low low low

Low low low

This race to space we're on to release ourselves from the weights of gravity

Our highs are higher than our lows

This world's a state of mind and I can hear your thoughts much too clearly

>From slime to ape we'll learn to fly

Low low low

Low low low

Low low low

Low low low

Oh we're so powerful

Watch these giants collide

So individual

Will we ever find peace of mind

Low low low

Low low low

Low low low

Low low low (X2)
