Soul for Sale

Dakona

Soul for sale
She'll give you everything inside
If you take her on that 15 - minute rideSoul for sale
She'll light the screen up with her skin
If you take her on that 15 - minute spinChorus:
Joyride in a hot car baby
Got room for one and a suitcase maybe
15 - minutes to make their day
Saying what they want us to saySoul for sale
She'll break every rule you've got
If you slip her in that 15 - minute slot
Soul for sale
There ain't nothing she won't try
If you take her on that 15 - minute highChorusShe wants to be where you can see
She wants to be where you can see
She wants to yell out from her car
I'm a star . . .Chorus
