

I'll keep holding on

Kim Burrell

I keep holding on
I'll keep holding on Time is filled with swift transition
Naught of earth unmoved can stand
Build your hopes on things eternal
Hold to God's unchanging hand Just keep holding on
Just keep holding on Trust in Him who will not leave you
Whatsoever years may bring
If by earthly friends forsaken
Still more closely to Him I cling Hold to His hand
God's unchanging hand
Hold, hold, hold on Hold to His hand
God's unchanging hand
Hold, hold, hold on Hold to His hand
God's unchanging hand
Hold, hold, hold on Hold to His hand
God's unchanging hand
Hold, hold, hold on Hold, hold, hold, hold
Get a real good grip
Get a real good grip
Get a real good grip
Get a real good grip No no no no, no no no no
No no no no, no no no no
Hold, get a real good grip
No no no no Hold to His hand
God's unchanging hand
Hold hold, hold on
