The Nurse Who Loved Me

A Perfect Circle

Say hello to the rug's topography
It holds quite a lot of interest with your face down on it
Say hello to the shrinking in your head

You can't see it but you know it's there so don't neglect itI'm taking her home with me and all dressed in white She's got everything I need, pharmacy keys

She's falling hard for me I can see it in her eyes

She acts just like a nurse with all the other guysSay hello to all the apples on the ground

They were once in your eyes but you sneezed them out while sleeping

Say hello to everything you've left behind

It's even more a part of your life now that you can't touch itI'm taking her home with me and all dressed in white

She's got everything I need, some pills and a little cup

She's falling hard for me I can see it in her eyes

She acts just like a nurse with all the other guysShe's got everything I need pharmacy keys

She acts just like a nurse with all the other guysSay hello to the rug's topography
