

# Crazy Arms (feat. Dennis Quaid)

[Jerry Lee Lewis](#)

Now blue ain't the word for the way that I feel  
That old storm brewing in this heart of mine  
Someday crazy arms will hold somebody new  
But now I'm so lonely all the time Crazy arms that needs to hold somebody new  
While your heart keeps sayin' your not mine not mine  
Not mine not mine my troubled minds grows blue  
To another you'll be wed but now I'm so lonely all the time Now take all those precious dreams I had for you  
dear  
And take all that love I thought was mine  
Some day your crazy arms will hold somebody new  
But now I'm so lonely all the time Crazy arms that reach to hold somebody new  
While my yearning heart keeps saying your not mine  
Not mine not mine not mine my troubled mind goes blue  
To another you'll be wed but now I'm so lonely all the time
