

Let's Pretend

August Moon

So let's pretend the world is coming to an end

I would spend the last days holding your hand
By gazing inside tranquil warm blue eyes

I'd let you know how much I love you so
I know I can't afford tickets to those exotic lands

But I have two legs that move, I'd swim you to foreign sand
By gazing inside tranquil warm blue eyes
I'd let you know how much I love you so
We'll watch as cities burn, cars overturn, lights disappear from the sky

But we won't mind, 'cause the luminance from our love will shine
By gazing inside tranquil warm blue eyes
I'd let you know how much I love you so
So life is over now, guess we'll never know how our life should have
been

But oh wait, oh wait, good thing it's only pretend
By gazing inside tranquil warm blue eyes

I'd let you know how much I love you so
