No Chance (Mr. McMahon's Theme)

Dope

[Unverified]If you mess with me, youve got no chance
No chance in hell, youve got no chance
If you mess with me, youve got no chance
No chance in hell, youve got no chanceWelcome to my world
This world I made
And how I love my world
In my world Ill break your faceThis is my world
This is my worldAnd if you mess with me, youve got no chance
No chance in hell, youve got no chance
If you mess with me, youve got no chance
No chance in hell, youve got no chanceWelcome to my world
My world's a state
Look at all my fantasies
Feel all my p-p-painThis is my world
This is my worldAnd if you mess with me, youve got no chance
No chance in hell, youve got no chance
If you mess with me, youve got no chance
No chance in hell, youve got no chanceThis is my world
This is my worldAnd if you mess with me, youve got no chance
No chance in hell, youve got no chance
If you mess with me, youve got no chance
No chance in hell, youve got no chance
