

# Fly Together (feat. Rick Ross & Ryan Leslie)

## Red Cafe

So when I fly you fly we fly together  
And when I shine you shine we shine forever I'm a boss so I need a boss chick  
And we can boss up like the bosses  
All about green like Paul Pierce  
Mayweather look zero losses  
Dime in the day, dime in the night  
Five star chick 'bout that five star life  
I must admit I'm a fan  
Your shoe game ruthless girl god damn  
Been a few years you're my number one  
Blood in my veins, breath in my lungs  
We the ones winning so they want toast  
Love the way you're doing it, keep doing it now  
Fly like a jet blue stewardess  
You can fly alone but I don't advise it  
I'm inviting you to fly with the pilot So when I fly you fly we fly together  
And when I shine you shine we shine forever baby  
So when I fly you fly we fly together  
And when I shine you shine we shine forever oh yeah She wanna hit me on the  
On the ipad, flying in the sky caps  
Shawty got a nice job but works too hard  
Put that shit now welcome to the mall  
I need my women mogul  
Double m g is global  
I ain't rocking no polo but I'm  
Her heart beating so fast 'cause I'm taking my time  
Yeah I get it and lick it, I just handle my business  
And my Bentley just different, I keep her by my side  
My life a runway, and it's time to fly
