

# Stranger in My Life

## Mr. Big

I was a soldier with no regrets  
Walking on a fence  
Falling back on my feet again  
There was a vision decisions made  
To mold me out of clay  
Taking away my wings The man I'm supposed to be  
Now is the enemy And I wonder who I am  
Will I be someone to remember?  
After the glory ends  
Hiding in my disguise  
I'm a stranger, stranger in my life I'm perfect but broken  
The mirror tells it all  
Looking into my window soul  
Off in the distance, a different me  
No one else can see  
Someone I used to know I made all the right mistakes  
Now I'm a ghost in the big parade And I wonder where I've been  
Where is the dreamer I remember?  
Losing a long lost friend  
Hiding in my disguise  
I'm a stranger, stranger in my life I woke up, all choked up  
Out of my head  
My heart is wide open  
Re-writing how this story ends And I wonder who I am  
Will I be someone to remember?  
After the glory ends  
Hiding in my disguise  
I'm a stranger, stranger in my life  
Stranger in my life
