

Sad Song (Zdar Mix)

The Cars

Too many screamers
Wearing a mask
Too many dreamers
Looking for the ones that last Too many eyes
Looking for hope
Too many tears
Looking for a way to cope
It's no joke It's just a sad song
That pulls you along yeah
It's just a sad song
And it won't take long Too many thoughts
Breaking your stride
Too many Jekylls
Feeling like a Mr. Hyde Too many clouds
Darken your day
Too many rain drops
Falling on your thunder bay
Everyday
Oh yeah It's just a sad song
That pulls you along yeah
It's just a sad song
And you're getting on
It's just a sad song
That pulls you along
It's just a sad song
And it won't take long Too many heartaches
Waiting to strike
Too many clowns
Saying everything's all right Too many fires
Scorching your mind
Too many preachers
Saying what you should find
Just see the signs It's just a sad song
That pulls you along yeah yeah
It's just a sad song
And it won't take long It's just a sad song
It pulls you along
It's just a sad song
And it won't take long It's just a sad song

A sad song yeah
It's just a sad song
When you're getting on It's just a sad song
Sad song
It's just a sad song
And it won't take long
