

# This I Promise You

\*NSYNC

Oh, oh  
When the visions around you  
Bring tears to your eyes  
And all that surrounds you  
Are secrets and lies  
I'll be your strength  
I'll give you hope  
Keeping your faith when it's gone  
The one you should call  
Was standing there all along And I will take you in my arms  
And hold you right where you belong  
Til' the day my life is through  
This I promise you  
This I promise you I've loved you forever  
In lifetimes before  
And I promise you never  
Will you hurt anymore  
I give you my word  
I give you my heart  
This is a battle we've won  
And with this vow  
Forever has now begun Just close your eyes (close your eyes) each loving day (each loving day)  
And know this feeling won't go away (no)  
Til' the day my life is through  
This I promise you  
This I promise you Over and over I thought  
When I hear you call  
Without you in my life, baby  
I just wouldn't be living at all And I will take you in my arms (I will take you in my arms)  
And hold you right where you belong (right where you belong)  
Til' the day my life is through  
This I promise you, babe Just close your eyes each loving day (each loving day)  
And know this feeling won't go away (no)  
Every word I say is true  
This I promise you Every word I say is true  
This I promise you  
Ooh, I promise you
