Walking Paranoia

Mutemath

I am a nervous wreck
Jesus is coming back
Gonna catch me at the porno rack
I'm about to have a heart attack

Am I on hell's highway
'Cause I'm walking paranoia
I'm walking paranoia

Preachers are on the prowl
And they got me on the TV dial
Say your prayers or burn and rot
Gotta move fast when you're on the spot

Am I on hell's highway
'Cause I'm walking paranoia
I'm walking paranoia
If I'm on hell's highway
Then I'm going there the right way
'Cause I'm walking paranoia
I'm walking paranoia

Better get right or get left

Don't you forget
