

I Like It

Foxy Shazam

Ohhhhh oh oh ohhh!
Big magic woman
Oh you got me
Under your spell
You hypnotize
Me with your hips and thighs
I wear these shades so when I stare no one can tell So c'mon! [c'mon (x3)]
Show me a little more. [c'mon (x3)] Chorus:
That's the biggest black ass i've ever seen
And I like it, I like it
That's the biggest black ass i've ever seen
And I like it, I like it, a lot My gangsta girl
With the weave and curl
And your sexy
Street-talking slang
You mesmerize
Me and you mess with I
When you booty pop and drop it like it ain't no thing Ha! [c'mon (x3)]
Show me a little more [c'mon (x3)] [Chorus repeated 8 times as so]:
That's the biggest black ass i've ever seen
And I like it, I like it, a lot
