

Back 2 Good

Matchbox Twenty

Not normal, not normal, oh, not normal
It's nothin', it's so normal
You just stand there, I could say so much
But I don't go there 'cuz I don't want to
And I was thinkin' if you were lonely
Maybe, we could leave here and no one would know
At least not to the point that we would think so
And everyone here, knows everyone here
Is thinkin' about somebody else
Well, it's best if we all keep this under our heads
And I couldn't tell
If anyone here was feelin' the way I do
But I'm lonely now and I don't know how
To get it back to good
I'm not normal, no, I'm not normal, no, I'm not normal
This don't mean that you own me
Well, this ain't no good, in fact it's funny as hell
Yeah, but things worked out just like you wanted to
If you see me out you don't know me
Try to turn your head, try to give me some room
Oh, figure out just to what I'm gonna do
So everyone here, hates everyone here
For doin' just like they do
And it's best if we all keep this quiet instead
And I couldn't tell, why everyone here
Was doin' me like they do
But I'm sorry now, and I don't know how
To get it back to good
I'm not normal, no, I'm not normal, no, I'm not normal
Well, everyone here is wonderin'
what it's like
To be with somebody else
And everyone here's to blame
Yeah, and everyone here gets caught up
In the pleasure of the pain, yeah
Well, everyone here hides shades of shame
Yeah, but lookin' inside we're the same
We're the same, we're all grown now
Yeah, but we don't know how
To get it back to good
I'm not normal, no, I'm not normal, no, I'm not normal
Well, everyone here, knows
everyone here
Is thinkin' 'bout somebody else
It's best if we all keep this under our heads
Under our heads, yeah
See, I couldn't tell 'bout if anyone here
Was feelin' the way I do
That's over now, and I don't know how
Guess, it's over now
There's no gettin' back to good
I'm not normal, I'm not normal, no, I'm not normal
Not normal, not normal, not normal
