

Hookers and Robbers

Charlie Hall

Crack kids, track kids, hookers, and robbers
the naked and hungry, mothers and fathers
abuses excuses and guns in your hands
and i'll even welcome the arrogant man
I welcome you all to the biggest of feasts
a night of no shame to pause and to breathe
this is a night of loves renovation
a feast I am sure that can change a whole nation
me I am not such an excellent host
I'm one who forgives but needs it the most
I found the liar the killer of hearts
and I ran away with a new way to start
a journey to rule where a bright man appeared
he looked into me and my eyes filled with tears
my breath fast and short my heart burning deep
he gave me new eyes and a new way to see

So come as you are
as you are
as you are
come as you are
as you are
as you are

I still defiled his great love ways
I felt such a famine when I ran away
I missed the presence the voice like a song
I was nasty and dirty I knew I was wrong
but He ran to me like a dream like a Father
this love is not earthly this love must be other
He carried me home and threw me a party
a party so loud like the greatest love story
oh my dear friends applaud now please
I have invited you here to announce you are free
He takes your chains busting you out of prison
just open your heart let your heart come and listen

Come as you are
as you are

as you are
come as you are
as you are
as you are

come as you are
as you are
as you are
come as you are
as you are
as you are

who could accept all your pounding and screaming
your raging and freaking cussing and beating
all while He holds you and always forgiving
this is the story of love and of living
so wipe off your tears and laugh just a little
come break this bread celebrate the forgiver
raise up your glass a time to remember
come break this bread celebrate the forgiver

come as you are
as you are
as you are
come as you are
as you are
as you are

come
come as you are
come as you are
