

Use Somebody

[Laura Jansen](#)

I've been roaming around
Always looking down at all I see
Painted faces fill the places I can't reach
You know that I could use somebody
You know that I could use somebody, yeah, yeah
Someone like you
And all you know and how you speak
Countless lovers undercover of the street
You know that I could use somebody
You know that I could use somebody, yeah, yeah
Someone like you, oh, oh, oh, oh
Someone like you, oh, oh, oh, oh
Off in the night
While you live it up I'm off to sleep
Waging war to shake the poet and the beat
I hope it's gonna make you notice
I hope it's gonna make you notice
Someone like me, oh, oh, oh, oh
Someone like me, oh, oh, oh, oh, yeah
I'm ready, I'm ready, I'm ready now
I'm ready, I'm ready, I'm ready now
Oh, oh, oh, oh
Someone like me, oh, oh, oh, oh
I've been roaming around
Always looking down at all I see
