

Nothing's Gonna Stop Us Now

MYMP

Looking in your eyes I see the paradise
This world that I found is too good to be true
Standing here beside, want so much to give you
This love that in my heart, that I'm feeling for you

Let 'em say were crazy I don't care about that
put youre hand in my hand, dont ever look back
let the world around us just fall apart
Baby we can make it if were heart to heart

Chorus:

And we can build this dream together
Standing strong forever, nothing's gonna stop us now
And if this world is out of lovers we still have each other
Nothing's gonna stop us, nothing's gonna stop us now

I'm so glad i found you, I'm not gonna lose you
whatever it takes i will stay here with you
take it to the good times, see it through the bad times
whatever it takes is what im gonna do

let em say were crazy, what do they know
put your arms around me baby dont ever let go
let the world around us just full apart
baby we can make it if were heart to heart

repeat chorus:

ohh, all that i need is you
all that i ever need
and all that i want to do
is hold you forever, ever and ever

repeat chorus:

nothing's gonna stop us, whoa,,,,,,,
nothing's gonna stop us now
hey baby

repeat chorus
