

# That's All I Need

Panam Percy Paul

Uuuuuh uuuuhh!

If you won't go with me Lord, pls don't send mee!  
Even if you give me a million Angels pls don't leave me!  
Becos i see... your hands in every thing i do!  
I see ... your hands in the sun that shines  
I see... your hands in the air i breath but  
And i need your face... Jesus  
I need your Presence ...yes my Lord  
I need your face ...  
Becos that's all i neeeeeeeed x3

I dont wanna be a prophet i just wanna talk with you Lord!  
I am tired of being a pastor i just wanna know you  
I don't wanna be a Christian but to be a child of God!  
For you to be my Closest friend

That's all i need i dont wanna be a millionaire but to share in the riches of your Glory  
I don't wanna be a superstar but the light of your glory shine on mee
