I Did It For Love (featuring Sean Garrett)

[Boa](#)

I did it for love
I did it for love
I did it for love
I did it for loveNo signs for me
I saw your game but yet
and still you got me
You touched the deepest part of me
You got my heart it's jumping
I told you all of my secrets
Didn't see betrayal
One day two months
And now it's over
Didn't think it would fail
Loving you is causing me to change
And it hurts so bad it don't feel the same
And now my friends are asking me
"What did I do?"
Im done hurtin' myself over loving you
Oh II I I I did it did it did it for love (I know that I did you wrong)
Please forgive me baby girl I'm sorry
(You know that you did me wrong)
Why you crying baby girl I'm sorry
(I know that I did you wrong)
Heaven knows I don't mean to hurt nobody
(You know that you did me wrong)
Let me take this time to say I'm sorry
Loving you is causing me to change
And it hurts so bad it don't feel the same
And now my friends are asking me
"What did I do?"
