

Shoreline

Anna Ternheim

Ever since i was eight or nine
I've been standing on the shoreline
 Always waiting
 For something lasting
 Loose your hunger, you loose your way
 Get confused and you fade awayOh this town
 Kills you when you are young
 Oh this town
 Kills you when you are youngI'm not the boy i used to be
 This town has got the youth of me
 All eyes turn hollow
From the work of sorrowStanding on the paving
 By the office building
 They've got so much to do
 Never time for youWe are shadows
 Oh we're shadows
 Shadows in the alleyYou die when you're young
 You die when you're young
 You die when you're young
