Angel With a Dirty Face

Lou Gramm

I was standing there, watching her
While she would shoot arrows at my heart
I know there's no stopping her now
She's out to get me and boy she knows howLike a landslide, all power going down
She took the ground out from under my feet
I knew this girl would get me right here
Where happiness and heartache meetI'm givin' you a heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty face
Heartbreak warning, oh, oh, oh, oh
Yeah, and I don't want to run this race
Heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty faceI let it go at full speed
When in love it seems you're invincible at heart
Everyday I got deeper in it
I was a victim right from the startI didn't know, the minute she was sure
Her poison arrow had hit the bull's eye
She turned and said my dreams are out of line
And stayed around to watch them dieI'm givin' you a heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty face
Heartbreak warning, oh, oh, oh, oh
Yeah, and I don't want to run this race
Heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty faceWhat you've been getting isn't always what you see
Love has many faces now, but in your dreams of dreams
You do believe in holding on, you got to let it goI had enough, I stepped back
There's only so much that a man like me can take
This heart of mine is a fragile thing
Once it's in pieces there's nothing to breakNow she's crying, she's crying over me
She still can't get it through her beautiful head
That pretty smile may fool somebody else
I'll tell you baby, all I see is redI'm givin' you a heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty face
Heartbreak warning, oh, oh, oh, oh
Yeah, and I don't want to run this race
Heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty faceShe'll be gone in the morning, oh, oh, oh, oh
She's an angel with a dirty face
Heartbreak warning, oh, oh, oh, oh
She'll be leaving you without a trace

Heartbreak warning, oh, oh, oh, oh
She's an angel with a dirty face
