

Bustin' Up Or Bustin' Out

Foghat

I ain't got time for chasin' rainbows
Sitting holding hands in picture shows
I'm a man, a man of action
Won't you let your lips give out some satisfaction? Got a habit of teasin' me
Sendin' me off instead of pleasin' me Bustin' up, or bustin' out
C'mon baby, take a choice
We're either bustin' up, or bustin' out
Whatever makes your heart rejoice Can't be afraid to spread some joy
Like the Statue of Liberty, standin' tall as a baby boy
You can dream, you can dream your pleasures away
That ain't the way I spend my night or day Always accusin' me of someone else
When it comes to my love, you won't even help yourself Bustin' up, or bustin' out
C'mon baby, take a choice
We're either bustin' up, or bustin' out
Whatever makes your heart rejoice Bustin' up, or bustin' out
C'mon baby, take a choice
We're either bustin' up, or bustin' out
Whatever makes your heart rejoice, go Bustin' up, or bustin' out
C'mon baby, take a choice.
We're either bustin' up, or bustin' out
Whatever makes your heart rejoice We're either bustin' up, or bustin' out
C'mon baby, take a choice
We're either bustin' up, or bustin' out
Whatever makes your heart rejoice
