Take me higher, higher than I've ever been
We can wander all the way to the top
I'll hold on to every word you've ever said
Don't you let me down
Don't you let me down
Don't you let me down
All I want is an adventure
For the dreams in my head
Cause I'm tired of pretending
Give me something I won't forget
All I want is an adventure
For the dreams in my head
Cause I'm tired of pretending
Give me something I won't forget
Give me something I won't forget
All I want is an adventure
