

# Taste the Tears (Thunderpuss Original Mix)

Amber

How could you cause me so much pain?  
And leave my Heart out in the rain  
After I gave you everything oh oh  
Why did you have to tell me lies?  
And put these tears here in my eyes  
And push my world with your good-bye oh oh You think that you're immune  
But someday Baby someday soon  
You're gonna taste the tears  
Tears I cried right over you  
You're going to taste  
You're going to taste  
You're going to taste  
You're going to taste the tears  
Taste the tears What did I ever do to you?  
To make you treat my Heart so cruel  
To make you make me such a fool oh oh  
One day you'll notice what it's like  
Someday someone will say good-bye  
One day you'll be the one to cry oh oh And when the things you do all turn around, around on you  
You're gonna taste the tears  
Tears I cried right over you  
You're going to taste  
You're going to taste  
You're going to taste  
You're going to taste the tears You're gonna know the pain  
Same thing that you put me through  
You're going to taste  
You're going to taste  
You're going to taste  
You're going to taste the tears  
Taste the tears Come taste the tears  
Come taste the tears  
Come taste the tears
