

# The Lost Children (A Slow Motion Crash)

## The Samples

You come and go  
But tell me you're not leaving  
It's hard to stop believing  
That words not said  
Will go unknown  
And I can't tell  
If there was peace in the beginning  
When life did have a meaning  
Or how I'd know  
Your face could smile  
Dream on as if the lost children  
Had nothing to do with these words  
O torture me  
With the punishment of freedom  
The broken threads we fall from  
We've lost our control  
Of a slow motion crash  
Dream on as if the lost children  
Had nothing to do with these words  
Do you know how long  
Or just how far we're falling  
The mother just keeps calling  
For the lost children of Earth  
All to be led home  
You can come and go  
But tell me you're not leaving  
It's hard to stop believing  
That words not said  
Will go unknown  
Will go unknown ...
